

Welcome to Kindergarten

Dear Parents and Kindergarteners to be,

Congratulations on entering Kindergarten at SPX!!! I hope you are excited for the new school year! I can't wait to meet you, and I'm looking forward to a great school year. Attached are some recommended skills to work on during the Summer break. There is also a packet for each month with activity calendars to provide your child with an activity to complete each day. These will allow your child to practice skills to help them be successful in Kindergarten.

Have a GREAT summer!! I will see you in August.

Your Kindergarten teacher,

Mrs. Salazar

Summer Activities to Prepare for Kindergarten

- Letter recognition – upper and lower case
- Letter sounds
- Number recognition (1-20)

- Counting to 20
- Basic shape recognition
- Practice writing first and last name
- Read to students (Libraries have a fun program to earn prizes for reading!)
- Know the days of week & months of the year
- Practice tying shoelaces
- Practice self-help skills (ex. buttoning, zipping, opening snacks/ lunch)
