## ✧ What is Band Camp? ✧

*Every summer, the Music Learning Foundation sponsors a week-long band camp for young musicians. Band camp is an exciting week of music and just plain fun. No student should miss this week!*

Band Camp is a great opportunity for young musicians to spend a week practicing and learning new music, participating in specialized master classes on each instrument, and studying basic and advanced music theory and history. Students can even learn a second instrument! In addition to the musical opportunities at band camp, campers also participate in a wide range of recreational activities from swimming in beautiful Lake Murray, to horseback riding, frisbee-golf, fishing, paddle-boats, lake cruises to Tucker Tower, and more. At the end of the week, all the bands perform for their parents, friends, and the local community. All this is just the beginning; look inside for more information about this summer's Band Camp at Lake Murray!
