

E&E Food Service is offering lunch service at St. Pius X Catholic School. Their service will be to provide fresh hot, wholesome, nutritious meals that will be prepared in the kitchen onsite at our school. They will use a new online service that will allow you to monitor your children's lunchtime purchases, track what your children have been eating, make deposits directly into the meal account, and have email reminders sent when the account balance is low.

To set up an account for your child / children, go to: <https://www.myschoolaccount.com/>

Once at the myschoolaccount site - you will create an account, filling in the required information. You will select E&E Catering Services from the "School District" drop down menu. There are more specific directions on setting up an account in the attachment below - E&E Set Up Account.

We have also attached the price list and the monthly Menu.

If you have questions about E&E Food Service, please contact Rachel Hernandez - rachel@eandefoodservice.com
