

Hello Fourth Grade Parents,

I am excited to announce this summer's reading project! Your child will need to read one book this summer. Please choose from the following books:

- Lemonade War by Jacqueline Davies
- Chocolate Fever by Robert Kimmel Smith
- Mr. Popper's Penguins by Richard Atwater
- Esperanza Rising by: Pam Munoz Ryan

Students should NOT choose a novel that they have already read. After reading your novel, you will create a Virtue Poster. This summer assignments will count as your first reading grade in the first quarter!

Once the novel has been read, students will create a poster sharing what virtues the main character(s) may have exhibited throughout the book. Please see the attached list of virtues & meanings from which to choose.

Projects are due the first week of Fourth Grade!

If you have any questions, please email me, Mrs. Myklebust. I will be checking my school email periodically throughout the summer.

I am looking forward to seeing some creative & colorful Virtues Posters! I want our students to be able to live a virtuous life based on our Catholic faith, and I cannot wait to see what your child has learned over the summer!

Happy reading!

Directions:

After reading your "Student Choice" novel, choose 4-5 virtues that you witnessed the main character(s) exhibiting. Write a 4-5 sentence paragraph how that character "lived the virtue" in the novel.

You may choose any color of a large/standard poster board. You may decorate the poster as creatively & colorful as you want.

On the back of the poster, write or type a 3-paragraph (4-5 sentences each paragraph) summary of the book. Be sure to include information from the beginning, middle, and end of the book.
